—and invite personal inspection. Some of the many features are the white enameled interiors, ample ventilation, natural light and floor space.

The equipment—mechanical refrigeration, automatic electric scales, plate glass, refrigerated display cases—insures perfect sanitation for foods. There are many other features too numerous to mention here.

## Toothsome Boiled Ham

We carry a full line of the most tasty cooked meats, including veal loaf, boiled tongue, corned beef, minced ham, jellied tongue, bologna and other sausages.
